Class Organisation and Learning Support Reductions

Our class organisation is almost finalised and we will share information with the children on Monday prior to their moving on afternoon on Tuesday. Unfortunately, class organisation has been a challenge this year as we have a reduction in our learning support allocation; this therefore determines how much support I have available to share between the children with additional support needs and impacts on how I arrange the classes. We are looking at a reduction of approximately three full time learning assistants. I am aware of two that will be leaving us at the end of term but as yet have not been informed about the 3rd. Due to these reductions, I have had to take some difficult decisions about class organisation.

With regards reductions, I have shared my concerns with the local authority as have the Parent Council. I have been informed that I will get the opportunity to meet with a panel to go through and review the level of need we have here at Dalbeattie Primary. I will keep everyone informed with any updates around this.

Moving Up Afternoon

Children will go to their new classes for 1:30p.m and spend the afternoon there. All pupils will be released at the end of the day from their new classes. Pupils coming into P1 from nursery will return to nursery at the end of the visit or can be collected from outside the P1 and P1/2 doors. Individual invitations with further information will be sent out to our new P1s.

End of Term Assembly

This will take place on Thursday 30th of June at 11a.m. Award winners parents, will be notified and invited to join us. P7 parents are welcome to come along but please be mindful that space is very limited when the whole school are in the hall. We would suggest only 1 or 2 adult per P7.
