# Dalbeattie Nursery School Improvement Plan Priorities 2023/2024

## Nursery Priority 1

23/24

**Fully embed  
UNCRC and rights  
Respecting  
Schools within  
nursery life to  
improve  
outcomes for  
learners**

Staff to be trained and knowledgeable about UNCRC and Right Respecting Schools and the promotion of this through the nursery

Learners to show a developing understanding of their rights, wellbeing indicators and start to explore thoughts, feelings attitudes, values and beliefs.

- Staff will access training to develop their knowledge of UNCRC/Rights Respecting School.
- Staff will use SHANARRI indicators within the setting and as part of provocations.
- Information to be shared with parents about children's learning based on rights and wellbeing.

## Nursery Priority 2

23/24

**All stakeholders  
will be aware of  
the settings  
Vision, Values  
and Aims**

Children and parents will understand the vision, values and aims of nursery including the purpose of our curriculum framework.

- School Vision Values and Aims to be adjusted into child friendly language for use with nursery children.
- Staff in nursery to be role models to ensure positive outcomes for children and families.
- Staff to be confident in their demonstration of values with positive interactions with learners, families, and colleagues.
- Nursery rationale and curriculum framework to be revisited and amended.
