

Three Days That Changed The World

CHORUS *Three days that changed the world,
All the headlines read.
Three days that changed the world,
Jesus is risen from the dead.
Three days that changed the world,
The story of God's son,
The headline news of Easter
Is that God loves everyone.*

CHORUS

It started on a Friday with sadness and with tears.
On Saturday came anger, confusion, doubt and fears.
And then on Sunday morning, the wonder and the joy
Of life that lasts forever, that death cannot destroy.

CHORUS

*The headline news of Easter
Is that God loves everyone.*

Jesus Is Alive!

- 1 Outside the city, away from it all,
Jesus was taken to die.
Sentenced to death like the worst criminal,
Though He'd committed no crime.
Darkness came over the whole of the land,
Even the sun didn't shine.
Surely this Jesus was more than a man,
This was no ordinary time.

CHORUS *But Jesus is alive!
The one they crucified,
He showed that He is Christ the Lord.
He did just what He said,
He rose up from the dead,
And now He lives for evermore!*

- 2 Who can imagine the terrible cost?
Who can imagine the pain?
Jesus was beaten and hung on a cross,
Buried and left in a grave.
All His disciples and all of His friends
Feeling confused or betrayed,
Where was the hope that He'd given to them?
Why was He taken away?

CHORUS

- 3 Mary went early to visit the tomb,
Hurried to where Jesus lay.
Met with an angel who gave her the news,
Told her 'Do not be afraid':

CHORUS x2 *'Cos Jesus is alive! etc.*

Jesus is alive!

Holidays Are Here Again

CHORUS *It's that time of year again,
Holidays are here again,
No more teachers, school is done,
No need for uniform, it's time for fun!*

- 1 We'll ride our bikes for hours and hours,
We'll walk in the countryside despite the frequent showers.
We'll drive to somewhere by the sea,
You won't catch me swimming though, it's far too cold for me!

CHORUS

- 2 We'll visit friends and family too,
And go to a movie, or a show or to the zoo.
They're brilliant in so many ways,
A wonderful time of year, the Easter* holidays.

(Group 1)
CHORUS x 2

(Group 2)
Verse 2

(All)
No need for uniform, it's time for fun!

* Easter can be substituted with 'Christmas' or 'Summer' according to the season.

THANK YOU FOR LOVING ME

1 Before you made the skies and sea
Your heart was full of love for me,
You knew the person I would be,
Thank you for loving me.

2 You came to earth to live like us,
With words of life and arms of love,
You showed the way to heav'n above,
Thank you for loving us.

CHORUS *Thank you Jesus,
Thank you my Lord.
Your love came down from heaven,
Come fill up my heart evermore.*

3 Because God loved the world so much
You paid the price for all of us,
You gave your life upon a cross,
Thank you for loving us.

CHORUS

4 INSTRUMENTAL

5 So thank you Lord for loving me,
Today and all eternity,
And may my song forever be
'Thank you for loving me.'
