

## Keeping Families Informed

The Children's Services GIRFEC website is now live. The site development has been led by the multi-agency DG GIRFEC Leadership Group, and contains information and resources for **families**, including:

- [The 8 things that every child and young person needs to grow and develop well and have good wellbeing.](#)
- [Finding support for children and their families](#)
- [Information on Stages of Intervention creating a common understanding between all adults supporting the lives of our children and young people.](#)
