Term 4 update

Dear Parent Council Chair – and Parent Council members. I hope you all had a great Easter Break.

A long update with two key items applicable to Primary and Secondary Parent Councils and any parent groups in ELC, Primary and Secondary.

1: PVG update

2: Connect Training sessions

1. PVG update

As noted in the last update here is the latest information regarding PVG requirements for parent groups / Parent Councils.

In addition, there will be two online local sessions where you can raise questions or concerns – **Local Q&A sessions for Parent Councils in Dumfries and Galloway** – these sessions will be used to share any updated information in a discussion forum and generate FAQ's or scenarios for Parent Councils that can be shared regionwide. If possible, try to join at 7 – usually drop-in sessions are just that at any time during the hour, but for these it will be important to join at the start time. thank you.
