School Improvement Priorities

Our school improvement priorities for 2024-2025 are to:

- Update and further develop our planning and progression pathways for numeracy and math's. Embed the last session's progress on our literacy progression pathways, particularly writing, into our planning and assessment formats.
- Further develop and embed digital literacy learning and digital skills across our school.
- Continue to improve communication with parents and increase opportunities for positive parental involvement and engagement in the life and work of the school.

Just2Easy

Most of our parents have now joined the Just2Easy app and will be able to see messages and also photographs about what has been going on in your child's class and also what is happening in school. If you are having trouble logging on or need a new QR Code then please just get in contact with Miss Atkins and she will be happy to help.

Please remember that absence messages or time critical information, e.g. your child is being picked up by someone else, you are running late, they have an appointment, must go through the school office.

Polite Reminder - Beginning and End of School Day

Could you please ensure your children do not arrive at school before 8.35am as there is no playground supervision before this time. School commences at 8.55am and finishes at 3.05pm.

School Transport

For those whose children use school transport, could you please either inform the school or message the driver if for any reason your child is not being collected or going home on the transport.

School Uniform

Misplaced clothing that is placed in the lost property box which is situated in the main corridor, will be emptied at the end of each term and placed in the Rag Bag Unit at the Church.

Water Bottles

Could all parents please make sure that your child/children are supplied with their own water bottles. There is a water machine in the main corridor for refills. If they have not got a water bottle, we are unable to supply them with plastic cups as we do not keep a supply within the school.

Rights Respecting Schools Silver Accreditation

We have gained our Silver Accreditation for the Rights Respecting School and are now looking forward to beginning our journey to becoming a Gold Rights Respecting School.
