

Tesco Stronger Starts

Tesco Stronger Starts has helped fund thousands of projects nationwide that support children and young people.

Schools, registered charities and not-for-profit organisations supporting children and young people are invited to apply for up to £1,500 for causes that improve access to healthy, nutritious food.

From enhancing school provision to supporting local community services, the fund welcome applications that use healthy food that supports physical and mental health of children and young people across the UK. This could include breakfast or holiday clubs, cooking or gardening initiatives, providing fruit or healthy snacks for a sports club or projects that build life skills, confidence and wellbeing.
