## School Roof Work

Over the summer holidays the roof has made lots of progress. The work men have now finished the last section the hall and we can now use the hall for PE and assemblies. We look forward to holding our Christmas concert in it.

## Halloween Party!

On the 31st of October we celebrated Halloween. We had Halloween parties with fun games. In the P4-7 party pupils did ghost bowling, a scavenger hunt and 'dooking' for apples. In P1-3's party pupils played pass the pumpkin, ghost beans and musical statues. Everyone wore spooky costumes and looked super scary!

## Gatehouse Gala

At the Gatehouse Gala many events took place; like the dog show and the torch light procession. There was a big bonfire, a torchlight procession and food stalls. The night ended with an impressive fireworks display.

The next day the fun started with a lorry parade, people lined the street ready to admire the floats. It was a great day!
