## Spitfire rap

Yo, let me take you back to the skies of the fight,  
A legend was born, taking flight in the night.  
The Spitfire's the name, sleek and so bold,  
with a roar from the engine, a story unfolds

Spitfire, Spitfire, cutting through the air,  
Defending the skies with a powerful flair.  
From the Battle of Britain, it soared with pride,  
A symbol of freedom, where heroes reside.

So here's to the Spitfire, a tale to inspire,  
a testament of courage, a heart full of fire.  
In the annals of history, its name will remain,  
a warrior of the skies, forever in fame.
