### Wellington rap

Yo, let me take you back, to the skies so bright, Wellington planes, soaring high in the sky. From WWII, they were built to last, With a sturdy design, they were flying fast.

Wellington, Wellington, in the air they glide, With their twin engines roaring, they take pride. Bombers of the night, they made their mark, In the history of flight, they left a spark.

There will be an Easter competition we will notify you about what the competition will be!

**DON'T STOP BELIEVING**

*We came first place in the Christmas house quiz!! With 800! Points let's go.*

*Wellington are the best!!!
