

Primary 7 Newsletter October to December 2025

Welcome back to Term 2 in Primary 7! We hope everyone enjoyed their October break and is ready for the next term. Please have a read of this newsletter and get in touch if you have any questions or concerns.

Mrs Brown will be in Primary 7 on Monday, Tuesday, Wednesday and Thursday and Mrs Sloan will be in Primary 7 on a Friday.

Communication

Please encourage your child to access the class Teams page as this is the way we share homework and it is also the way you will be able to contact us with general questions. The children should be very familiar with how to use Teams. It is vital that they log in to Teams regularly at home as this is where we post all information on homework and this is where we will post any notifications which the children need to be aware of. **Please help your child to check they can access the P7 Teams page at home.**

Alternatively, if you wish to contact us please send us an email.

Our email addresses are -

Mrs Brown - gw08browntracey01@glow.sch.uk

Mrs Sloan - gw08sloanalison@ea.dumgal.sch.uk

School Blog <https://blogs.glowscotland.org.uk/dg/heathhallschool/https://blogs.glowscotland.org.uk/dg/heathhallschool/2024/08/26/p5-first-2-weeks/>

P7 Expectations

Your child will need:

- a full water bottle
- indoor shoes
- PE kit is needed on a **Monday** and a **Tuesday**.
- a waterproof jacket **every day** as the weather can change.
- **P7 would like a Yearbook as their leaving gift. Please email a photo of your child starting school to gwo8browntracey01@glow.sch.uk**

Lunches

School lunches are ordered using iPayImpact where every child has their own unique log in. It is important your child knows how to work iPayImpact so that lunches do not need to be organised in class. Please ask your child to log in to their own account and choose their lunch option for the week ahead. **They should be doing this even if they are packed lunch.** It takes up time to organise this in the morning so we ask with your assistance in making sure this is done before arriving at school. If you still require a log in please let us know.

[Order School Lunches Here](#)

Wider Achievements

We are always keen to hear about your child's wider achievements outside of school. Please encourage them to share these with us. They will find a master copy of the Wider Achievement Certificate in their Teams page. They should go to the General channel and they will find it in the Files section at the top. Please download a copy of the master and edit this and then save their own version.

Literacy

During work in Literacy we will be developing our writing skills through writing a response to different text types.

In reading the children will be focussing on their comprehension skills through their group texts which are sent home to read for homework every week.

We will be looking to develop our listening and talking skills through sharing a short presentation.

The children will be given new spelling words on a Tuesday and they should work on these in class and at home throughout the week.

Within modern languages we will focus on French where we will continue to use numbers to 100 in a range of contexts and learn how to talk about hobbies/sports.

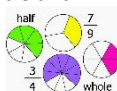

Maths and Numeracy

Our work in numeracy this term will focus on fractions, decimals and percentages.

focus on working with decimals and 3D shape.

In Maths with Mrs Sloan we will be exploring Probability and learning about radius/diameter of a circle.

We will continue to develop our mental maths and problem-solving skills through weekly challenges.

Dates For Your Diary

Homework

Homework will be issued electronically on our class Teams page.

- Spelling – new spelling lists will be issued on a Tuesday.
- Numeracy – children will be set a Sumdog challenge to complete once a month. They will also be given a written or practical maths task to complete once a month.
- Reading – your child will bring home a book where they have been set reading homework. Children should aim to read for a minimum of 20 minutes each night.

Other Curricular Areas

Within Digital Literacy we will be developing our skills at Coding and using different programmes and devices.

This term P7 have chosen to study Space and we are excited to explore the our Solar System while also having a trip to Glasgow Science Centre.

Within Expressive Arts we will recognising the styles of different artists as well as expressing and communicating ideas, thoughts and feelings through art activities.

Health and Wellbeing (H&WB)

In PE we will be working on our gymnastics and dance skills this term. P.E will be on a Monday and a Tuesday.

P7 will also be looking at healthy eating.
