

Heathhall Primary School Termly Class Newsletter

In **Literacy**, we will begin by writing lots of descriptions. We will focus on using correct punctuation and including relevant details. We will also be developing our note-taking skills as part of our IDL work on climate zones. We will learn about recording key facts and information.

We will be reading a class novel and will complete various associated comprehension tasks to deepen our understanding of the text.

In **HWB**, our focus is how to feel respected and how to communicate well.

In **Art**, we will be using our IDL focus to create artworks showing different climates and the animals that inhabit them (rainforest, desert, Arctic etc).

In **Technologies**, we will be accessing GLOW and will be learning how to send and receive emails.

Class: Primary 4

Teacher(s): Mrs Clanachan & Mrs Sim

Term: 1

P.E - Wednesday & Thursday. Please can children come dressed for PE on a **Thursday morning**, with school clothes in their bag to change in to after PE.

Homework - Reading and spelling homework tasks will begin on 14th September. Separate information will be sent regarding homework. Sumdog challenges will be set monthly. Pupils can complete these during a time that suits them, if they wish to do so.

Meet the Teacher - Wednesday 16th 3:15-4pm. All welcome!

In **Numeracy**, our focus this term is Place Value. We will begin by revising our understanding of 3-digit numbers and will move on to working with numbers with 4 digits.

Hundreds	Tens	Ones
100 100 100 100 100	10 10 10 10 10	1 1 1 1 1
5	6	4

In **Topic Math**, our focus will be Shape.

In **IDL**, our focus will be exploring climate zones around the world and how climate effects living things. The children will choose a few specific climate zones to focus on and learn more about.
