Literacy

Our main focus will be on writing and developing our vocabulary through a variety of text types.

Most pupils will be using the accelerated reading programme, allowing for personal choice. These books can be read both at home and at school.

We will also be reading 'Eye of the Wolf' by Daniel Pennac as a class. We will use this to support us when developing our reading for understanding skills.

Learning across the curriculum

In P.E. this term with Mr Sharp, on Monday mornings, we will be focusing on tennis and rugby. With Mrs Kirkpatrick, on Fridays, we will be focusing on possession games and dance.

Within Art we will be focusing on sketching and shading skills as well as learning about famous artists.

Within Digital Technologies we will use a range of programmes such as PowerPoint and Adobe Express.
