06/09/2021

Dear Parent/Carer,

I would first of all like to extend a warm welcome to Primary 6, I am very much looking forward to working with the pupils and parents over the course of the year.

This term our topic will focus on Kirkcudbright, with a longer term focus on the artists. Please see the attached curriculum overview for the first term. This is your copy to keep. The curriculum overview details what pupils will be experiencing in class, but this can be extended as children's learning progresses.

Every Monday, Mr Wild will teach the class Health & Wellbeing and Spanish and Miss King will take a P.E. session. On Fridays we will have our class PE sessions. Please make sure that your young person has their PE kit for those days. I would appreciate if you could include both an indoor and outdoor PE kit to allow us to make the most of varying opportunities. Throughout the year we will also be making the most of any outdoor learning opportunities, so please also make sure your young person has an outdoor jacket and water bottle.

Homework includes weekly spelling and times table practise, additional homework will be noted in homework diaries.

Please feel free to contact me regarding any concerns or queries that you may have, by appointment through the school office or by emailing me, as above.

Yours Sincerely,

Audrey Kelly  
Class Teacher
