Dear Parents /Carers,

Term 1 is now well underway, and the children are settling in and becoming accustomed to life in the 'big school'. They are much better at changing their shoes, getting ready and following the daily routine. Our handwashing and sanitising routines are going well too.

Please talk about the lunch menu with your child before they come in as they will have an idea now of what the lunches look like and what they like.

We have PE on a Tuesday and Thursday and will be doing our daily mile too. We are not changing into PE kits yet – I will have to build myself up to it!

Homework folders have made their way home and these should be brought into school **daily**. If you have any questions remember that you can pop to the door at the end of the day for a socially distanced chat but preferably write a note in the homework diary or send an email to the school gw10officekirkcudbri@ea.dumgal.sch.uk. They may have settling in activities for a wee while but sounds and number work will begin to make an appearance soon.

I have noticed that some children are bringing numerous or large snacks. Please take my word that **one** item is enough as the children are spending more time eating and less time playing or they are eating the biscuits, crisps etc. and the apples, bananas etc. are turning to mould in the trays! They are also not as ready for their lunch as they have eaten so much 2 hours earlier. We have snack at 10.20am and lunch at 12.15pm. During class time the children are encouraged to drink water so please **no** juice in the drink bottles.

We like to get the children out at playtime/ lunchtime if possible, so please send your child with a suitable warm, waterproof coat and footwear (wellies are welcome). Names on **all** items of clothing and footwear would be greatly appreciated.

I look forward to getting to know you all. Keep safe.

Kay McMillan
