Direct Dial - 01557 332610

Dear Parents / Guardians,

I attach our class homework project for this term, with the termly 'Focus Overview' to follow soon. This term's cross-curricular topic is:

'Needs of the Community and Around the World'

This term, your child will have a range of homework tasks.

- **Spelling** – weekly – distributed on Monday and to be handed in on Friday. Please discuss the weekly challenge with your child. There will be a copy of the weekly words in the 'files' section of our Team.
- **Reading** – Accelerated Reading. Aim for 15 minutes a night, if possible.
- **Maths** – Number processes (*Sumdog*).
- **Topic** – 'Class Talks' homework project. A further brief of this task is attached and I ask that it is returned on **Monday the 18th of December**.

Please encourage the use of Teams at home and the use of all websites I have listed at the end of this letter.

Please send your child to school with an outdoor P.E. kit on Monday and Wednesday. We will continue to take part in the 'Daily Mile' outside every day so please ensure your child has suitable clothing (waterproof jackets etc.). As the weather is becoming colder and more erratic, please ensure your child has a coat each day.

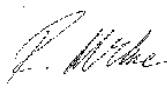

We have enjoyed sharing some of learning through our use of 'X' (formerly Twitter) and we encourage you to download the App and follow us. Search for our account: **P67andMrMcClune**. I aim to update our feed regularly and it is a great way for you to keep up to date with all the activities and news from class.

During November, there will be an opportunity for you to meet with myself or have a phone conversation to discuss progress made so far and next steps for your child. More information about these dates has been shared with you and I look forward to talking to you all.

If you would like to discuss any issues, please telephone the school office on **01557 332610** to arrange a call back time or, alternatively, send me an e-mail at: gw08mcclunerobert@glow.sch.uk. Please do not hesitate to get in touch throughout the term.

A copy of this letter, overview and homework project can be found in our class Team or on the school website (follow the link below).

Kind regards,

Robert McClune
P6/7 Class teacher
