

# Class Talk

This terms homework task is to prepare a talk about something you are interested in. You will then present this to the class. Your talk can be about anything you like or have an interest in, such as, hobbies, pets, family... anything!

**DO** - Begin your preparation - fact gathering and note taking. Use the skills we have been developing in class.

**WRITE** - Write what you are going to say to the audience in your presentation. You'll use this to read when you present your work. Cue cards are a good help when talking to an audience.

**MAKE** - Prepare a poster, PowerPoint, Sway or any other relevant prop as part of your presentation. This will be what your audience looks at while you are talking. It should contain pictures, illustrations and key facts.

**SAY** - Present your work to the class in school. In class, you will be put in to pairs and take part in a peer assessment activity and Miss Gordon will also complete an assessment sheet for your talk.

## **LEARNING INTENTION;**

*I am developing confidence when engaging with others within and beyond my place of learning. I can communicate in a clear, expressive way and I am learning to select and organise resources independently.*
