

Laurieknowe Nursery

November 2019 Newsletter

Welcome back to a chillier term, it is now definitely time to look out for our winter woollies!

What We Have Been Learning

Our first term this session we have been focussing on following the nursery routines, developing skills to make new friends, help others, try to be independent at snack time and washing our hands. The older children have enjoyed welcoming our new starts and helping them settle in.

This Term

From the children's interests, we will be developing a topic around babies or "when we were little". We will be looking at:

- * How we grow
- * What we have learned to do
- * Measuring (heights)
- * What makes us unique

We would like to see photos of the children or their families as babies for us to look at and talk about in nursery.
