**Homework:**

**Spelling:** New spelling words will be given out every Monday, with spelling tests taking place every Friday.

**Reading:** Your child will be heard reading once a week in class and discuss their book in further detail using a range of activities in the classroom. Their reading book will not come home to practice with for the time being. I would encourage reading at home to take place frequently - either independently, reading to others or being read to by a parent, sibling, aunt, uncle etc.
