The nursery needs to know when I am absent from nursery.

Please inform nursery staff if you change your home or mobile phone Numbers.

When we are allowed to explore our local community again we will require parent/carer volunteers to help on trips and days out. Please let your child's key worker know if you are available to assist the nursery in this important part of our curriculum.
Thank You.

Please give any medication to staff. Never leave in bags in the cloakroom area. If I need medication please see a member of staff to complete relevant forms and information. Medication will be checked every 28 days.

In the nursery I will have my own special learning plan where the nursery staff will record my progress and achievements. We hope that parents/carers will be able to view my progress through SWAY online.

At nursery I will be able to play with sand, water, all kinds of paints, glue and dough with food colouring so **I need to wear play clothes**. We encourage all children to participate in all forms of imaginative play regardless of gender i.e. dressing up/role play

We change our outside shoes independently. Black plimsolls are best for inside as we can do our gym class in these. **Please NO laces.**

We have healthy snacks and free school lunch at Nursery.

We play outside everyday at nursery. Please provide, sun hat, gloves, hat and warm or waterproof coat, wellies etc. when appropriate.
