

# Our Vision, Values and Aims at Lockerbie Primary School

## ***TOGETHER WE CAN***

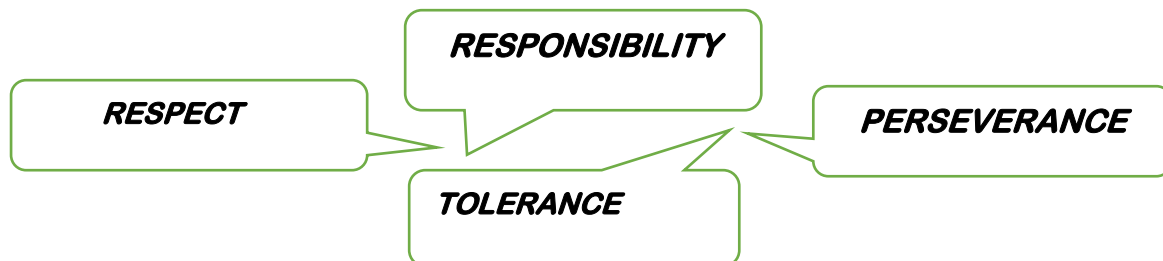

### Our Vision

We will all work together to provide a safe, happy, nurturing environment for our children which enables them to develop their capabilities as successful learners, confident individuals, responsible citizens and effective contributors to society. We will support all of our children to prepare for the future by developing skills for learning, life and work.

### Our Values

All members of Lockerbie Primary School and our wider community will strive to develop the following values:

### Our Aims

- provide a stimulating and secure environment for our children where everyone feels safe, valued, included and respected
- engage our children in the highest-quality teaching and learning supported by a curriculum to meet needs and interests and to maximise attainment, achievement and participation for all
- foster high-quality leadership at all levels
- work in partnership with parents, our communities and other agencies to improve the care, wellbeing and learning of our children
- equip our children with skills for learning, life and work.
