Thursday	Maths	Literacy - Big Writing		Science	Circle Time
Friday	PE	Literacy - Spelling Test	Maths	ICT	Pupil Voice Group

Homework:

Spelling: New spelling words will be given out every Monday, with spelling tests taking place every Friday.

Reading: Your child will be heard reading once a week in class and discuss their book in further detail using a range of activities in the classroom. Their reading book will not come home to practice with for the time being. I would encourage reading at home to take place frequently - either independently, reading to others or being read to by a parent, sibling, aunt, uncle etc.
