

Nursery Newsletter November 2020

Independent dressing

Could you please ensure that your children bring to school shoes that they can put on and off themselves. No laces please.

We encourage the children to get ready independently when going outside to play, so please give your child every chance of success by providing them with appropriate foot wear. As we are outside so much at present it would also be very helpful if you sent your child with a pair of wellies.

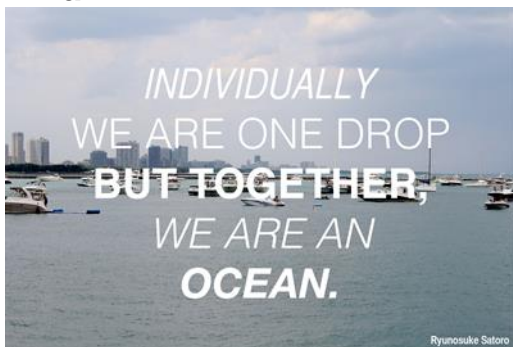

No laces

Healthy Packed Lunches

Just a reminder to parents/carers that the nursery works hard at promoting healthy eating both at snack and lunch time. Please do not send in juice as milk and water are always available. Also please do not send confectionary in lunch boxes. Further information to help with a healthy packed lunch is available at: <https://www.firststepsnutrition.org/eating-well-resources/> If you are sending in grapes for your child can you ensure that they are halved length ways as they are a choking hazard. *Thank You*

Email

As we are corresponding a lot more through email, it would be very helpful if parents could respond and help us in working together to provide the most up to date information, to ensure we are meeting the needs of all the children in the nursery.

Miss Gordon

I am sorry to say that Miss Gordon will be finishing in the nursery on the 18th of November. I would like to take this opportunity to thank Miss Gordon for all the years she has worked so hard in Lockerbie nursery. She has decided to move on to pastures new and we wish her all the very best for the future.

Best wishes from the Nursery Staff.
