

Birthday Celebrations at Lockerbie Nursery

Dear Parents/Carers,

We have seen a wonderful idea from another nursery and we think it is something really special that we would like to introduce.

As a result of the current Covid restrictions, many children are missing out on celebrating their birthday with family and friends as they would, as parties and gatherings are currently not allowed at this time. We understand our children have already had so many changes and had to adapt to new rules and regulations both at home and nursery, and their emotional well-being is something that is very important to us.

Therefore, we would like to give them the opportunity to celebrate their birthday in nursery within their own bubble. We have decided that we will hold a birthday party on the last Friday of each month. This will be to celebrate all children who have/will be having a birthday in that month.

During the afternoon, the children will have some birthday cake, dancing, games etc. Children who are celebrating their birthday that month are allowed to come to nursery dressed in their party clothes to celebrate their special day.
