Sanquhar Primary School

Sanquhar Primary School is a modern semi-open plan building situated in the middle of the town just behind the High Street.

Acting Head Teacher: Mrs C Wilson

Chair of Parent Council: Mr Bruce Gallacher

Does the School have a Nursery: Yes

Does the School have a Learning Centre: Yes

You can [view the latest HMIE inspection report for Sanquhar Primary School](#) which is designed to show how well children are being educated and to help the school to improve.

Further Information

The school building was opened on 5 October 1981 and comprises four units opening off a central, general-purpose hall. Three of the units have three bases, a wet area and pupil toilets while the fourth houses the administration, medical and staff accommodation plus a general-purpose classroom used primarily for music and drama.

In August 2003 a large children's centre, comprising a nursery, two classrooms and a Learning Centre, with a spa pool, was completed. The nursery can take 100 children and has a secure play area. The Learning Centre has a sensory room and also has access to a secure play area. The school also has community facilities, a family room, an interview room and a community room. The community room has computer access.

Kelloholm Primary School

Kelloholm Primary School serves the villages of Kelloholm and Kirkconnel in the Upper Nithsdale near the Ayrshire border. There is a good rail link to Dumfries and Glasgow.

Head Teacher: Mrs M Bryce

Roll: 170

Chair of Parent Council: Mrs Laura Little

Does the school have a nursery? Yes

Does the school have a learning centre? Yes

You can view the latest HMIE inspection report for Kelloholm Primary School which is designed to show how well children are being educated and to help the school to improve.

Further Information

The school is surrounded by beautiful rolling countryside ideal for hill walking, mountain biking and fishing. The area is steeped in the history of the Covenants and there are many cairns and memorials dedicated to them around the area.

Drumlanrig Castle and its grounds are some ten miles to the south and the Lead Mining Museum, at Wanlockhead, is approximately the same distance to the south-east.

The school has strong ties with the local Heritage Society and there has been joint community working on a number of projects such as film making and the regeneration of local walkways.

Coal mining was an important industry in the area and the school remembers this tradition in a variety of ways. With the closure of the mines the area's largest employer is Brown Brothers who have an international reputation for quality meats.

We are part of an Integrated Community School cluster with Sanquhar Academy and Sanquhar Primary with whom we share a Home/School Link Worker and a Family Learning Coordinator.

The school is an Eco-school and we have recently developed our own wildlife garden in a joint project involving staff pupils parents and local volunteers.

We are also aiming for our Investors In People award.

St Michael's Primary School

Originally, the school began as a Church School attached to the South Free Territorial Church. The school opened in 1865 and provided a general education - including Latin, for some pupils.

Head Teacher: Mrs H Thomson

Roll: 179

Chair of Parent Council: Mrs Talia Carter

You can view the letter which was sent to all Parents and Carers of Pupils in November 2015  St Michael's PS - HMIE Inspection Progress Letter [532kb]

Further Information

Although it received a Government Grant, the school was very much an ecclesiastical one and was inspected regularly by the Presbytery. The history of the school is extremely well documented in the four school Log Books, the first of these dates from April 17th, 1866. In 1876, the school moved to its present site.

The school has a plaque situated at the front door, which is dedicated to John Law Hume, violinist and Tom Mullin, steward - two former pupils who tragically died on the Titanic on the 15th April 1912.

Further Information

Although Sheuchan School has been present in Stranraer for over a hundred years the present building was built in the early 1990's and was officially re-opened in 1994. The school building is very modern with spacious classrooms. It has a large playground area with school playing fields, an assault course, garden and seating areas for outdoor learning.

Over the past few years a lot of development work has been undertaken to develop Personal Learning Plans for literacy and numeracy. These plans are used in school to help the children establish their next steps in learning and are shared with parents on a regular basis.

The school has a very active P.T.A which meets regularly to discuss ways in which they can support the school. It also has a very supportive Parent Council who are keen to work with the school and involve all parents in their child's education.

Portpatrick Primary School

Portpatrick Primary School serves the coastal village of Portpatrick and the surrounding rural area. The school is partnered with Leswalt Primary School.

Head Teacher: Mrs S Baillie
 Also head teacher of partner school - Leswalt Primary School
School Roll: 29
Chair of Parent Council: Ms Kerry Marshall
Does the school have a nursery? No

Does the school have a learning centre? No

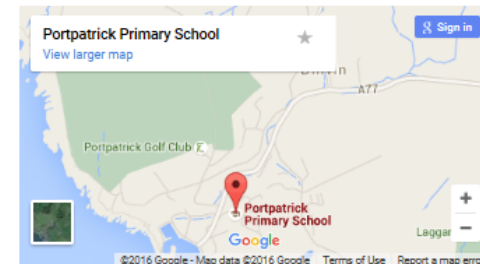

You can view the latest HMIE inspection report for Portpatrick Primary School which is designed to show how well children are being educated and to help the school to improve.

Further Information

There has been a school in the village of Portpatrick from 1717 and maps show a school on the present site as early as 1865. A new school was built on the site of the existing school and schoolhouse in 1979.

A number of after school clubs run throughout the year which are well supported by parents, staff and members of the community. There is also an active and supportive Friends of the School Group.

Stranraer Academy

Stranraer Academy serves the population within the Rhins of Galloway, the far west of Dumfries and Galloway. Approximately 17,000 people live in the area of whom 10,000 live in the town of Stranraer.

Head Teacher: Mr N Dawson

Roll: 997

Chair of Parent Council: Mrs Julie Currie

Does the school have a learning centre? Yes

You can view the latest HMIE inspection report for Stranraer Academy which is designed to show how well children are being educated and to help the school to improve.

You can view the letter which was sent to all Parents and Carers of Pupils in July 2015 HMIE Inspection Progress Letter [817kb].

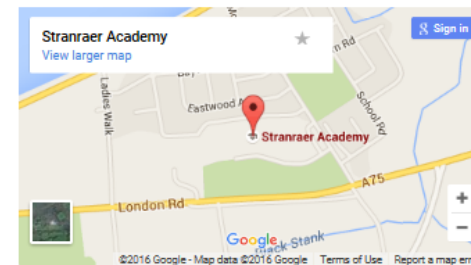

Further Information

The Academy is a truly comprehensive school, serving the needs of all young people in the area, with provision included for the full spectrum of special needs.

Stranraer Academy dates from 1845. In 1955, two schools were opened on the present site - Stranraer Academy and Stranraer High School. In 1970 the two schools were merged and in 1997 the first phase of a major rebuild was completed. A significant new extension to the first phase was completed in January 2010, which houses the dining and assembly facilities along with the class bases for many of the practical subject areas.

The ferry companies serving routes to Northern Ireland are the major employers in the area, which is also known for agriculture and tourism.

RIVENDELL IS A 4 STAR BED AND BREAKFAST
IN DUMFRIES & GALLOWAY...

BED & BREAKFAST DUMFRIES

Rivendell has **quality accommodation** and is a striking and thoroughly unique Charles Rennie Mackintosh inspired Arts and Crafts Mansion dating from 1924. We are situated less than a mile from Dumfries town centre and its numerous shops, pubs and restaurants but within easy access to the main A75 trunk road and local railway station.

You can book our accommodation on-line or if you have any special requests or requirements do it the old fashioned way and telephone us - you may be lucky - even the smartest computer won't negotiate a deal and certainly won't give a discount - but with direct **contact** we just might!

Dumfries Railway Station is only a ten minute walk from the bed & breakfast and has good links to Glasgow, Carlisle, Gretna Green and surrounding towns and villages. You can check the **weather in Dumfries** and the **best times to visit** the region throughout the year. Rivendell is a popular bed and breakfast in Dumfries and has acquired a 4 star rating from the AA and Visit Scotland for its accommodation in Dumfries. Rivendell bed and breakfast is also surrounded by quality golf courses.

Restaurants are easily accessible and a members of staff are always at hand to guide you to the **best places to eat in Dumfries**.

Book

Please contact our Secretary at thornhillcommunitytransport@yahoo.co.uk or on (01846) 331402 for clarification of any of these points.

Who Can Book the Bus? Recognised Community Groups, such as Youth Clubs, Sports Clubs, Church Groups, Organisations for the Disabled; also more informal groups or individuals needing transport to places of Worship, Community Activities, Cultural and/or Educational Events.

How Many Can You Take? The bus seats 16 people (plus the driver). It can accommodate up to 3 wheel-chairs, but, depending on the size, this can involve the removal of up to three ordinary seats per wheelchair. We will do our best to accommodate child seats/boosters where appropriate, but do not provide them.

Can I book the bus and drive it myself? No. We under-take to provide a trained driver. This ensures your safety, protects the condition of the vehicle and is a requirement of our remit.

Who pays your drivers? Our drivers, Committee and Office Bearers are all volunteers. They are not paid and do not expect, or accept, 'tips'. What you pay goes directly towards the running costs of the vehicle and our (very small) operating costs, as do any donations kindly put in our various collecting tins in the local area.

My family and I want to go to a wedding in Edinburgh. Can you help? Unless one or more of you specifically needs an accessible vehicle to travel in, this is not really in accordance with our remit. Our drivers are volunteers and the Government and various parts of the Community have provided the vehicle to be used mainly for work of benefit to the Community. There may be occasions when we are able to help but, for the most part, we must respectfully direct such enquiries to local commercial operators.

Can I book the bus to help me move a fridge-freezer? Sorry -it's a passenger-carrying vehicle only.

How Do I Book?

Phone the Booking Line: 07842 163775

E-mail: thornhillcommunitytransport@yahoo.co.uk

Tell us:

Who Can Book?

Recognised Community Groups, such as Youth Clubs, Sports Clubs, Church Groups, Organisations for the Disabled; also more informal groups or individuals needing transport to places of Worship, Community Activities, Cultural and/or Educational Events.

The party or individual making the booking agrees to our Terms & Conditions and is responsible for ensuring their group abides by these

Our drivers are all volunteers. They are not paid and do not expect, or accept 'tips'.

We cannot guarantee that the bus, or a driver, will always be available. We will, however, do our best to help out wherever we can.

It is a particular requirement that any groups of children, or other groups considered 'vulnerable' will be accompanied by a responsible person who, if necessary, will take adequate steps to ensure the proper and safe conduct of all traveling on the bus. The driver cannot undertake this function.

The more notice you can give us of a booking, the more likely it is that we will be able to help.

What Does It Cost?

We charge:

£1 per hour that the bus is away from its base, plus:

80p per mile for the first 100 miles

60p per mile thereafter

50p per mile (flat rate) for groups of children (Scouts, Youth Groups etc)

All subject to a minimum charge of £15.

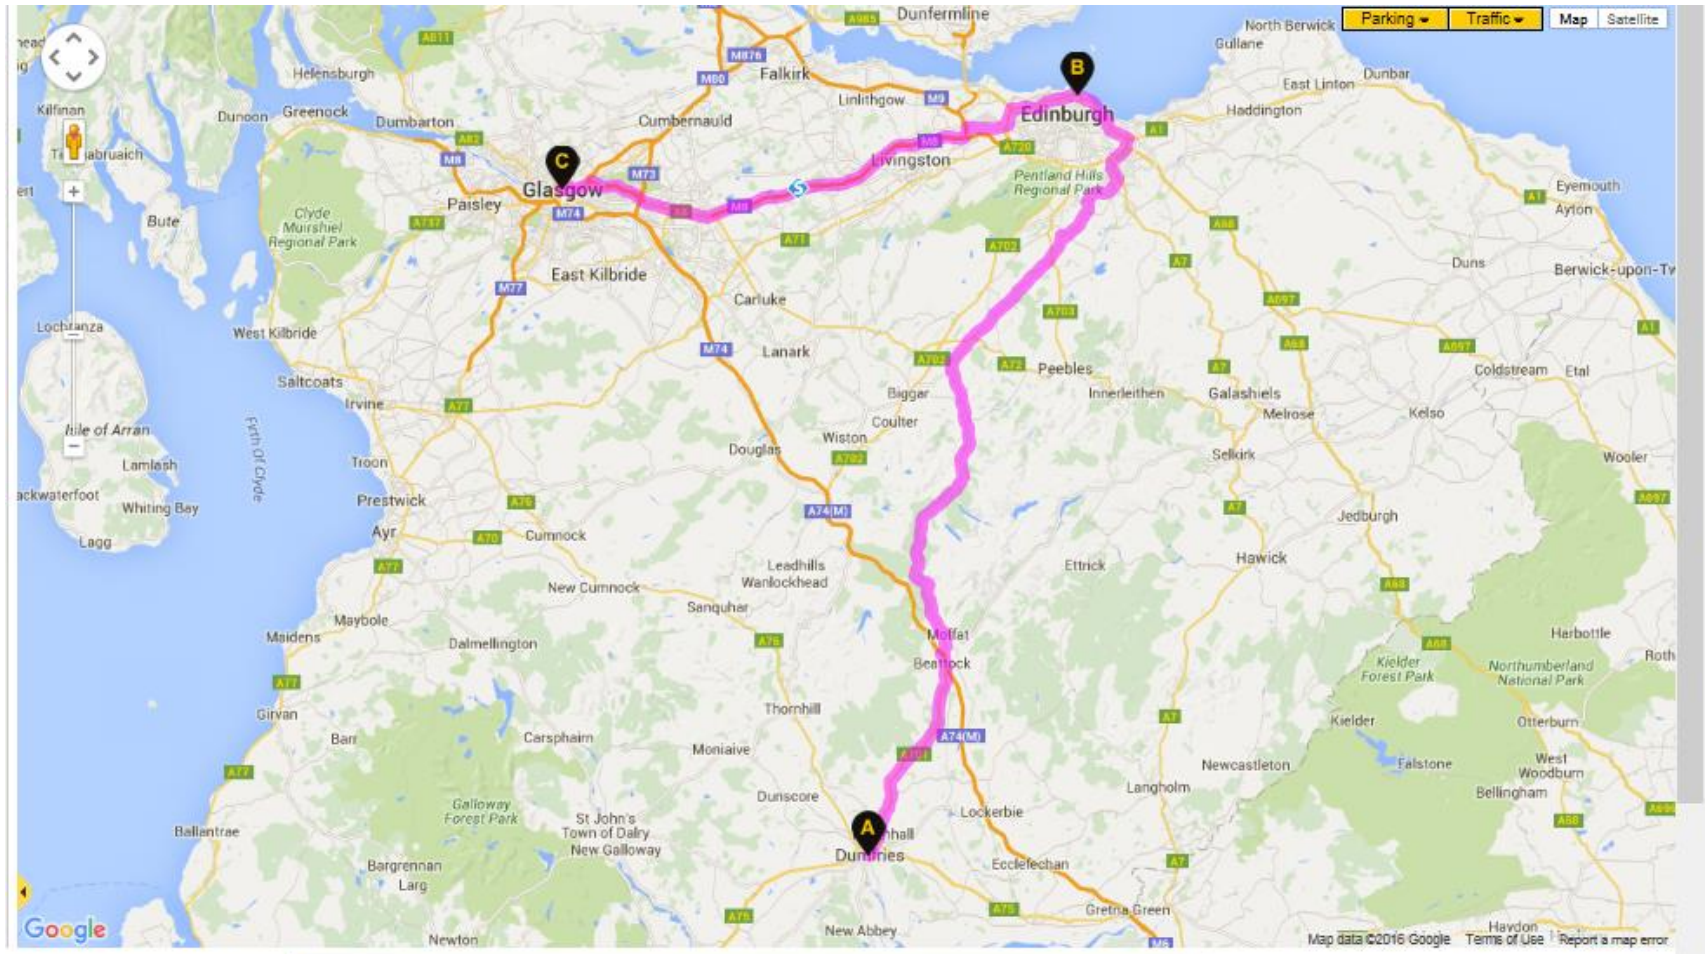

Some Examples:

A trip to the cinema in Dumfries, starting from Thornhill would cost approximately:
