Vision, Values and Aims Review
August 2018
The process so far ...
During INSET all teaching and Learning Assistant staff identified the strengths and challenges at Noblehill Primary. With this in mind we looked at the current motto, vision, values and aims to ensure current relevance. Each group then took time to consider new or slightly adjusted M/V/V/A. Using all the information from staff, the school management team then took on board all suggestions and opinions and devised the following DRAFT motto, vision, values and aims: -

Motto
'Be all you can be!'

Our aspirational vision reflects current direction for all pupils, staff and school community.

Vision
We inspire everyone to work to their full potential in a safe and nurturing environment.

Considering the Rights Respecting School which the school are working towards it was felt 'respect' covers many values of the school. The other four values were considered to be pertinent to the whole school community.

Values
Respect Effort Care Teamwork Trust

Our aims were devised as our way of working towards and achieving our aspirational vision.

Aims
Together we will create and sustain a welcoming and inclusive environment.
Through meaningful and positive reflection we ensure a sense of achievement for all.
In our learning we will be creative and motivate and challenge each other.

We have now consulted with the Parent and Pupil Council. Our Parent Council agreed that it would be most valuable for the consultation to extend to the whole school community. Please complete and return your responses to the school office by Monday 24 September 2018.

We are committed in developing a shared vision, values and aims relevant to Noblehill Primary.

➤ I consider the draft Vision, Values and Aims to be relevant and suitably aspirational. (please tick)
