

“I love Portpatrick because everyone is lovely there and I love the place where I live. Portpatrick is very beautiful and we have beaches and parks to play in. I love my school because I know everyone very well and no one is bullied. Everyone is nice and friendly.” **Maya McNeill – P6**

“I love where I live because of the lovely views and fresh air. I also love the pretty sunsets at night.”

Ava Lily Orr Ewing – P6

“I love where I live because there are lots of lovely people and it’s a quite small town so you pretty much know everyone. We are very lucky that we live in such a beautiful place, especially at this time when we can go out for walks and enjoy the lovely surroundings. My school is pretty small. It is full of lovely people and we have great teachers and staff too!” **Ruby Rankin – P6**
