- I am looking forward to the Christmas movie afternoon and playing badminton in P.E– **Sophia**
- I am looking forward to our Space topic, the Christmas Show and badminton for P.E– **Noah**

Our Term 2 Focus

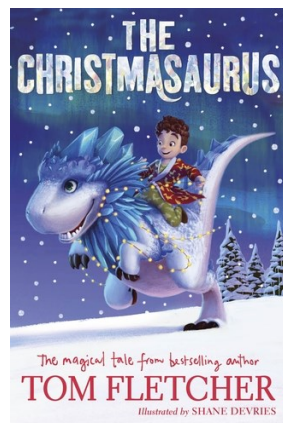

LITERACY- We are beginning the term with a focus on Poetry for our writing genre. We have looked at Firework poems and are currently working on Remembrance poems. We will then be moving on to report writing which will be Topic based. We continue to read in class within our reading groups and each pupil also has a book chosen from the library for enjoyment.

NUMERACY- We are starting the term off with multiplication. We are currently working on the standard method of multiplication alongside our daily Samson Maths for mental maths. We will follow this up with Division as the term progresses. P6/7 are also doing Time with Mrs Miller on a Monday.

TOPIC - This term our topic is Space which the class are very excited about. We will be looking at the features of our planets within our Solar System and learning about time, size and scale within our Solar System. There will be lots of research opportunities and Art activities to get stuck into.

READING FOCUS

We have just finished *The Boy at the Back of the Class* and after a class discussion we have decided on *The Christmasaurus* by Tom Fletcher for our next class novel. It is a story about the adventures of William and his friend... Christmasaurus and it will hopefully get us all in the festive spirit!

IMPORTANT TO KNOW

PE days are still Tuesdays and Fridays for the class.

We will be starting Christmas Show practise very soon which will involve some rehearsals over at Stranraer Academy

17th November– Children in Need

14th December– P7 Party 6.30-8.30

19th December– Christmas Show
