

Term 1 Learning Information for Primary 2

TOPIC	Our topic focus this term will be <i>The Twits</i> by Roald Dahl. We will look at the descriptive language the author uses in the story to complete a range of literacy tasks, creative artwork and carry out science experiments investigating food, flavours and earthworms!
LITERACY	P2 will learn a sound each week in class which will be the focus of the spelling homework. In writing, we will be focusing on descriptive writing through our class novel 'The Twits'. In grammar, we will learn about the alphabet and capital letter formation, and also learn more about sentences.
NUMERACY	P2 will be consolidating numbers to 10/20 and extending their knowledge of numbers beyond as appropriate. They will be performing lots of practical addition using cubes and other concrete materials and building up their knowledge of addition stories to 10. In Maths, we will learn about pattern and symmetry and begin some work on 2D shapes and their properties.
PE DAY	P2 will have PE on a Wednesday in the school hall. We will aim to have an outdoor session of PE/Outdoor Play on a Friday but this will be weather dependent.
OTHER INFORMATION	Please ensure the children come to school each day with a waterproof jacket and a change of shoes. We have more walking to do this year between the school building and our classroom in the Aird building and need to be ready for all kinds of Scottish weather. Mrs Fitton will be in class on a Monday (10am-3pm) and Tuesday and Mrs Gratton will be in class on a Monday (9-10am), Wednesday, Thursday and Friday.
