

# Term 1 Learning Information for Primary 3

<p><b>TOPIC</b></p> 	<p>Our IDL Topic this term is focused on The Twits by Roald Dahl. We will be looking at character descriptions, feelings and reciprocal reading strategies, such as predicting and clarifying. During science activities, we will be exploring the results of a germ science experiment through looking into how germs grow and can spread. We will also be focusing on hot seating and conflict resolution between characters during Drama lessons.</p>
<p><b>LITERACY</b></p> 	<p>In Literacy, we will continue to build on our knowledge surrounding description text types using descriptive bubbles (number, size, colour, shape, doing, texture, position). We will continue to learn new spelling patterns using the Jolly Phonics programme. During Grammar lessons we will be focusing on verbs, adverbs and the past and future tense.</p>
<p><b>NUMERACY</b></p> 	<p>In Numeracy, we will be extending our knowledge of number through sequencing, ordering and place value. This will involve counting on/back, using symbols to compare numerals and finding missing numbers on a number line. In Maths, we will begin to look at the properties of 2D Shapes and 3D Objects.</p>
<p><b>PE DAY</b></p> 	<p>Our PE hall slot is on Monday afternoons. Plain black (dark) trackies and a plain t-shirt under the usual school jumper will be expected on PE days. Children should wear their school jumper and only need to wear the change of clothes during the lesson time. Children can bring a plain jumper to wear during PE.</p>
<p><b>OTHER INFORMATION</b></p> 	<p>P3 have been settling in very well since the start of term.</p> <p>Blue homework bags will be sent home every Wednesday to be returned the following Monday. Please refer to homework notes in red homework jotters for more information.</p> <p>Mrs Miller is in P3 every Monday and Tuesday and Miss Pritchard is in P3 every Wednesday, Thursday and Friday.</p>

As they listened to the first couple of chapters of *The Twits* by Roald Dahl, P3 predicted what Mr Twit might look like and wrote adjectives on the back of their whiteboards to describe him.

P3 created wonderful artwork inspired by *The Dot* by Peter H. Reynolds.

We have been focusing on sequencing and ordering numbers during Numeracy time.
