

Term 3 Learning Information for Primary 2

TOPIC 	Our topic focus this term will be Scotland. We will go on walks in the local area to take pictures, create maps/ models and compare Stranraer to other places in Scotland. We will recite Scots poems, explore Scottish words, and create artwork inspired by Scottish artists. We will also read a selection of Scottish themed short stories and Legends.
LITERACY 	P2 will continue to focus on phonics through our Sounds of the Week. In writing, we will be introducing how to write instructions to complete everyday tasks, e.g. how to make a jam sandwich and how to cross the road safely. In Grammar, we will be learning about nouns (proper and common), compound words and continuing to develop our knowledge of alphabetical order. We will continue to practice and develop our handwriting and letter formation. We will read daily in class and complete both class and group activities focusing on various skills.
NUMERACY 	P2 will be working on Numbers to 100 through activities focusing on identifying, ordering and sequencing and developing an understanding of place value using hundreds, tens and ones. In Maths, we will be finishing work on 3D shape before learning about angle and transformation including left and right, $\frac{1}{2}$ and whole turns. Afterwards, we will investigate, compare and order volume and mass and before the term ends we will begin looking at time (days of the week, months of the year, seasons, o'clock and half past).
PE DAY 	P2 will have PE on a Wednesday in the school hall where we will be learning some traditional Social Dances. We will aim to have an outdoor session of PE/Outdoor Play focusing on rebound and target games on a Friday but this will be weather dependent.
