

Term 4 Learning Information for Primary 6

<p>TOPIC</p> 	<p>We are currently finishing off our Titanic topic. We have enjoyed learning about how the Titanic was built, its maiden voyage and what happened when disaster struck. We will soon be moving on to Body Systems. We will be exploring the functions of each of the body systems, how they work and how to keep them healthy.</p>
<p>LITERACY</p> 	<p>We have been practising diary writing and linking it to our Titanic topic. This has helped with practising the use of emotive language to convey how a passenger on the Titanic may have felt. It has also helped with writing in first person, using different tenses. We will be moving on to revision of report writing in relation to our new topic, Body Systems.</p>
<p>NUMERACY</p> 	<p>P6 are working on fractions, decimals and percentages. We are currently learning how to find a percentage of a quantity and will be looking at how we will use these skills in real life situations. The class will be putting their knowledge of money and decimals to good use next week as they will be buying and selling at the pre fun day!</p>
<p>OTHER INFORMATION</p> 	<p>We are lucky enough to be gave the opportunity to try bowling at Stranraer bowling club this term. This takes place on a Tuesday morning, beginning the 20th of May for 6 weeks. We are also going to be having Rugby training on a Friday from trained rugby coaches. This will be our PE for the term, alongside some Sports Day practise!</p> <p>Remember to wear a school jumper on PE days and have a plain top for PE. An extra jumper can be brought for the lesson.</p>
<p>Dates for the Diary</p>	<p>21st May- Operation Safety at Stair Park 23rd May - Pre-fun Day - Fun Day Parent Council evening 12th June Sports Day 19th June Moving Up afternoon visit 25th June Class trip to Glasgow Science Centre- more info to follow 27th June Church Leavers' Service</p>
