Well, that's the first week back for P4-7 completed . I've spoken with each class teacher and observed regularly in the playground and on the whole, everyone appears to have settled in nicely.

I know as parents you are all happy for your children to be back at school. You have completed an amazing job with remote learning over the past few months. A huge well done to you all for everything you have done at home. We know it has not been easy juggling everything. You should be really proud of everything you managed to do. Now, hopefully, we will have a long lasting return to some normality for us all.

Red Nose Day

Due to the timing, we decided to take a low key approach to Red Nose Day this year however we still managed to raise **£137.50** for the charity, thank you on their behalf for your generosity.

P7 have organised a mask designing competition with a Red Nose theme, for all the children to take part in today—talk about a sign of the times!

New Pupils

We are delighted to welcome Tiffany in to P5 and Taylor and Lacey in P5 & P2. We hope that they are very happy with us here in Elmvale.

Our school roll is now 137.

50/50 draw will take place next Thursday—look out for a request from PTA to join next term's draw at a cost of £10.

Active Schools will begin working with each class on a weekly rota from 14th April.

P3/4, 4/5 & 5/6 begin working with traditional Scottish music group, Feis Rois, online from next Monday.

We have purchased webcams for each class and online weekly assemblies begin today!

PTA have purchased and we will display a banner reminding drivers not to park on the zig-zags.
