GATHERING
EVENT

**WEDNESDAY 30TH
SEPTEMBER 1-3PM**

LGBT Youth Scotland, in collaboration with the Whithorn Trust, have been working on a project to give LGBTQ+ young people opportunities to feel connected to their local history & have pride in their heritage.

We are hosting this event to capture intergenerational stories of the LGBTQ+/Queer community within Dumfries and Galloway. These stories will be featured in our local exhibitions and documented throughout the project legacy.
