

## **Parent Information– Please Read Before Completing the Parent Survey**

### **Purpose of the Survey**

This survey has been created to gather the views and experiences of parents and carers. Your feedback will help Stranraer Academy continue to improve the support, wellbeing, and experiences provided for young people and their families.

### **Why Your Views Matter**

At Stranraer Academy we value partnership working with parents and carers. Your views help us to understand what is working well and where improvements can be made to ensure young people receive the right support at the right time.

### **About the Information Collected**

The survey asks for your views about support, communication, wellbeing, and your child's experience of school and related services. Responses will be used to inform future planning and help improve outcomes for children and young people.

### **Safeguarding and Child Protection**

Stranraer Academy is committed to promoting the wellbeing, safety, and protection of all children and young people. Stranraer Academy Safeguarding and CP Policy is reviewed and updated regularly. This policy is available on our website.

### **The GIRFEC Approach**

Stranraer Academy follows the Getting It Right for Every Child (GIRFEC) approach, which focuses on supporting children and young people through the SHANARRI wellbeing indicators (Safe, Healthy, Achieving, Nurtured, Active, Respected, Responsible and Included).

### **Support or Questions**
