

# Pathways to Rural Work Continuous Professional Development Course For Secondary School Teachers

## Overview

We are inviting secondary school staff, from the Southwest of Scotland, to undertake a CPD course, at Dumfries House in Ayrshire, led by experienced staff from Countryside Learning Scotland and the Prince's Foundation. The course will include guest input from industry leaders, covering a variety of sectors, such as land and water based, renewables, environment, recreation and adventure. The course will consist of 3 online sessions followed by 2 - days hands-on activities with professionals. Accommodation is provided at Dumfries House.

## You will gain;

- an understanding of career opportunities available to young people across a variety of outdoor and rural industries and how to access them
- an insight into how skills developed in the classroom can be applied to future jobs
- hands on experiences with professionals
