## More Science Wars...

Miss Baird's Nat 5 class were using the "unfair game" to consolidate their learning this week.

Charlie Boax took on the role of the teacher and mediated the whole game! Sam McGowan did a fab job of keeping the scores.

Rory Docherty's team won. Here he is proudly pictured with the scores!

**There are prizes to be won every day for the first 12 days of December!**

**Entries are just £1 a pop and you can get involved at any point between NOW and Friday 10th December.**

**Make sure to keep an eye on the Parent Council's Facebook page across the 12 days as we'll be sending out daily updates telling you if (and what!) you've won.**

**The best part? 100% of the money will be going back into the school to support our pupils!**

**So why not spread a little festive cheer and nab yourself a ticket?  
*'Tis the season of giving after all.***

***Parent Council***
