Grange Girls' Rugby Festival

Tuesday 9th November
Periods 6-7

S1 and S2 girls: sign up with your PE teacher or speak to Miss Shankland.

A fun afternoon not to be missed!

Wow. The Music Department have been impressed by pupils who've been working together to create excellent musical performances.

Special shoutouts go to Emma Quinn and Poppy Cuthbert who've been tutoring and leading their classmates. Incredible stuff!

Think about Christmas for a few seconds and you'll probably end up imagining turkey and stuffing and roast tatties and Christmas pudding...

...not everyone has enough to eat during the Christmas holidays so please join with us in donating food and other wee treats to the local foodbank in the run up to the holidays!

Irene White (our home link worker) will be collecting all of the Grange donations over the next few weeks.

Please think about chipping in and making someone's Christmas a wee bit nicer!

Interval football

Please note that the interval football on the astro is not taking place for now. Everything at lunchtime will take place as normal.

A reminder that the school values are important to the PE staff who give up their own time to give you opportunities at lunch. Saying 'Please' and 'Thank You' is a really simple way to express some of the school values!

Halloween Coding Competition

All S2 Computing Science classes were busy coding a Halloween themed game using Scratch programming skills.

A winner was selected from each practical class and their creations will be entered into a national competition. Good luck all. The judging panel found it very difficult to pick the winners. Well Done S2!!!

The S6 yearbook planning has begun...

The team are excited to produce a 70 page hardback book full of school memories to leave with next year.

The cost of the yearbook will be £19 and here's a few photos to show you how the awesome 2021 Yearbook turned out!

S6 pupils need to make sure they check S6 Teams for regular Yearbook updates.

Every S6 pupil needs to complete the questionnaire that has recently been added to help us begin preparing for the Class of 2022 yearbook.

Here are some of the scary
(but delicious) cakes that S3
pupils made in Home
Economics for Halloween!

The seniors were at it, too.
More terrific cakes:

Keira's Cauldron

Rachelle & Roy's Revolting Rack

Millicious Brains

Gilmour's Graveyard

Smith's Spider-cake

**And Cielo (S4) created this
cake as part of her
Nat 5 Professional
Cookery course at
College!**

Weekly Puzzle:
Did you figure it out?

**The answer's kind of obvious
when you look at the image
upside down!**

The car is parked in space 87.

Have a great week, Grange.

Work hard.

Be kind.
