LOCK IT, DON'T LOSE IT

Officers from Kilmarnock Locality Policing Team are hosting a Bike Marking Event on Saturday 19th June 2021 between 10am-4pm at Halfords and Sprocket Cycles.

Come down and get your bike registered and learn some more about keeping your bike safe!

If you are unable to attend on the day but still want to get your bike registered, the team at Active Travel Hub Kilmarnock offer free bike security marking which can be done remotely.

Memory test.

How many of the previous bulletin signs can you remember?

“hello”

“how are you?”

“thank you”

“sorry”

“can I help you?”

**And here's this week's new sign
for us to learn together:**

**With your left hand, use your pinky and index finger to form a
set of goalposts.**

Point into the goals with your other hand to sign “GOAL”!

**As we approach the end of term,
we'd like to collect stuff to donate
to the local Foodbank.**

**If you're able to chip in a tin or
packet of pasta or some biscuits or
jam or something like this, it would
be amazing.**

**Please pass these items onto our
home link worker Mrs White (let's
see if we can top the 25 carrier
bags donated at Easter!)**

Do you ever have one of those moments where you figure out something for the first time and it hits you so hard that you have to share your big news with the rest of the class?

EXCELLENCE

Here's Cameron Walter James Kerr after he realised that knowing 8^2 could help him work out 80^2 or 0.8^2 or even $(8\text{million})^2$!

ESCAPE ROOM

Mr and Mrs Smith will be running an Escape Room competition in the final week as part of our leavers' big finale at Grange Academy (it seems like an appropriate event as they look to escape from Grange for the final time!)

LEAVERS- BOOK YOUR TEAM A SLOT NOW: <https://doodle.com/poll/7rxybgkhcgq2b4a8>

A massive congratulations to Thomas Gavin and Harris Mair (both S6) who have navigated a super-competitive application process and been selected for Strathclyde University's Space School Programme. These guys are out of this world!
