It's the 1st November
2021 and Mr Smith has a
wee two minute video
with a weird number
connection to today's
date:

Sign of the Week: FIREWORKS!

Raise both pointer fingers and move them upwards further and further mimicking fireworks shooting into the sky

Higher Psychology students have created mental health leaflets which highlight warning signs and recommended treatments. They're well worth a look if you're near Miss Barrie's class sometime!

**Calling all senior MVP Trained Mentors:
there's a short meeting on Wednesday
lunch time at the PE department
with Mrs Linton.**

First 10mins of lunch please!

IPI3 did loads of Halloween activities last week: Halloween coordinates, wordsearches and crosswords along with 'dookin' for apples, pin the nose on the witch and even made some chocolate apples.

Thanks for organising this, Mrs Slater and Mrs McGregor!

HALLOWEEEN

**There have been incidents
of smoking and vaping on the campus.**

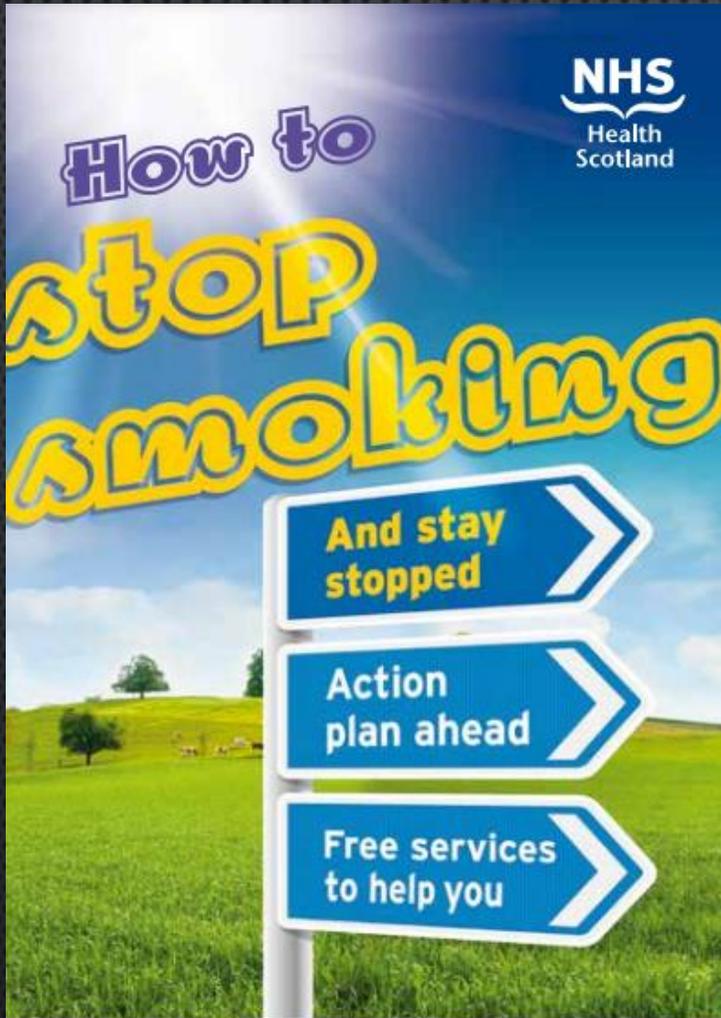

**It is ILLEGAL to smoke in partially enclosed public spaces
in Scotland. And East Ayrshire Council's policy is clear:
SMOKING AND VAPING IS PROHIBITED IN THE BUILDING AND
ON THE SCHOOL GROUNDS.**

**It is ILLEGAL for anyone under 18 even attempt to buy any
tobacco product or e-cigarettes/vapes. If a police
officer suspects you are under 18 and in possession of
cigarettes or tobacco or even cigarette papers in a
public place they can confiscate them.**
