## School Charter

**Article 28 - You have the right to a good quality education.**  
We will listen carefully in class and do not disrupt the education of others.  
Adults will deliver excellent quality lessons with interesting resources.

**Article 29 - Education must develop EVERY child's personality, talents and abilities.**  
We will participate fully in classes, respect others and set goals to be the best we can be.  
Adults will differentiate to include all and provide additional support if needed.

**Article 17 - You have the right to learn information which is important to your well-being.**  
We will look for information that is appropriate and not harmful to ourselves or others.  
Adults will allow opportunities for research and teach us how to access information safely.

**Article 13 - You have the right to find out things and share what you think with others.**  
We will participate in group discussions and let others express their opinion.  
Adults will provide opportunities to share opinions and thoughts and help us understand the information we need.

**Article 12 - you have the right to your opinion.**  
We will respect the views of others even if they differ from our own.  
Adults will ask for feedback and listen and take our opinions seriously.

**Article 42 - you have a right to know your rights!**

## Playground Charter

**Article 31 - We have the right to play and rest.**  
We will include everyone, share playground toys and turn take with others.  
Adults will provide children with a variety of playground games and activities.

**Article 15 - We have the right to choose friends and join groups.**  
We will encourage others to join in with games and welcome newcomers to groups.  
Adults will provide opportunities to take part in a variety of games and activities.

**Article 19 - We have the right not to be harmed and to be kept safe.**  
We will play safely and carefully with any equipment and choose appropriate games.  
Adults will monitor the playground and games carefully and care for us if we are hurt.

**Article 12 - We have the right to give our opinion and to be heard.**  
We will tell the truth, listen to others and speak respectfully.  
Adults will listen to what we have to say and provide us to a chance to explain.
