Come and find out more about 'Centrestage On The Road', where you can take what you need and pay what you can.

'Centrestage Food' is prepared by our chefs at our kitchens in Dundonald and uses surplus food from our nationwide partners to create nutritious, healthy meals for you to enjoy. You can have a chat with our #oneteam who'll share more about what we do and get to know how we can support you, your family and your community, along with the programme of free activities from East Ayrshire Council's Vibrant Communities team.

Let's hope we have some lovely Summer sunshine!
