## **RBA Design & Technology Curriculum Map**

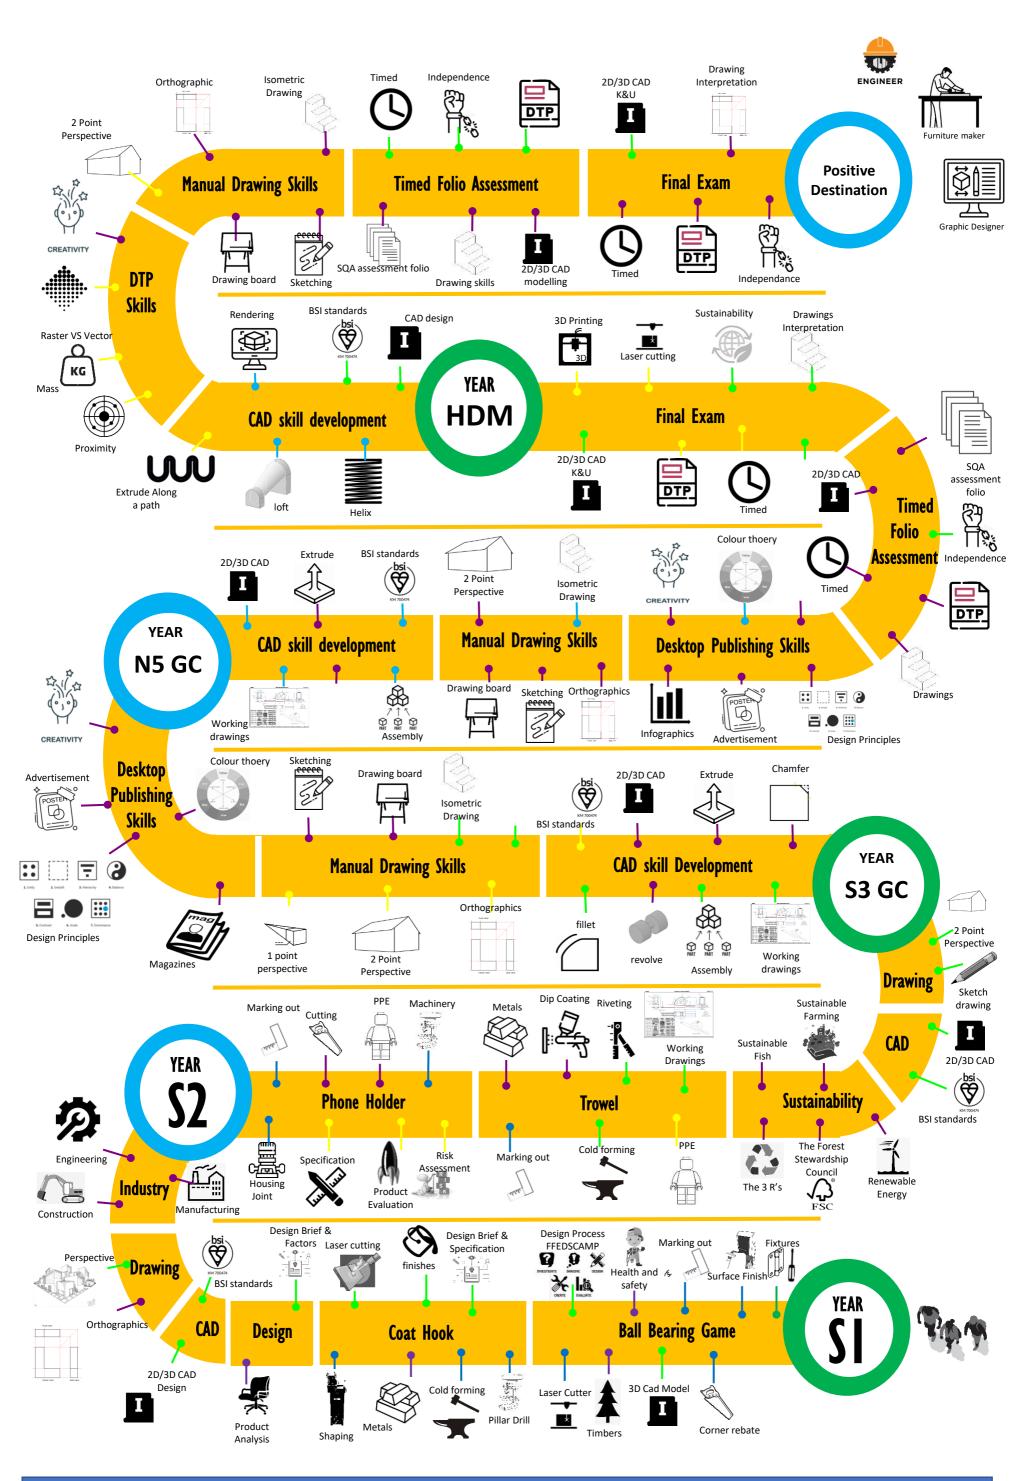

Route 2 – Graphic Communication

D&T offers you a curriculum which will engage and enthuse a passion for the subject. Giving you the opportunity to explore practical activities which will enable you to master the skills and secure your knowledge.

D&T provides the subject specific skills and knowledge as a platform for you to take your next steps, from KS3 to KS4, then onto a professional career within the Creative sector or further education.

Design and Technology will develop you skills in working with CAD, and your knowledge of Design and Technology across a range of materials including metal, plastics and timbers. You will explore Desktop publishing, engage in a range of assessments, develop your drawing skills and find out about new and emerging technologies such as Laser cutting, 3D printing and sustainability.

Design • Knowledge • Manufacture • Evaluate
