

These are some of the things we will be learning this term:

### Literacy

- In literacy this term we will be completing our study of the novel *Divided City*.
- In writing we will be learning about biographies and autobiographies. We will be compiling our own personal project as a non-chronological report and delivering talks in class and as part of the town trail.

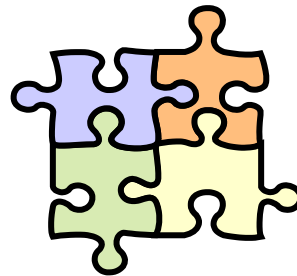

### Interdisciplinary Learning

- This term we will be completing our Galston Town Trail research, then we will be working on putting all of this new knowledge to use during our Town Trail Tours in June. In science we will complete our study of the human body by learning about the reproductive system.

Respect  
Responsibility

Galston Primary School

Term 4

Primary 7M

### Ethos & The Wider School

- This is our very busy term, we will be going on our residential, leading the school at sports day and celebrating our achievements over the last 7 years!

### Numeracy

- This term in numeracy we will be completing our work on fractions, decimals and percentages before moving on to multiples and factors and algebra. We will also complete some work on timetables and currency exchange. In maths we will be working on patterns, measure and angles.

### PSD/Health and Well-Being

- We will be completing a scheme of work on relationships, sexual health and parenting. As part of this we will look at puberty and coming of age in Scotland and in different countries and religions around the world.
