Dear Parents/Carers/Drivers,

We, as Primary 7 pupils at Galston Primary School, are angry and worried that even though Mrs Murphy has asked you multiple times, people are still parking in the bus zones, at the roundabout, on the zigzags and on the grassed areas of the carpark.

Everyone is really worried that one of our friends may get hurt because of this unsafe parking. We know that this has nearly happened lots of times and so far we have just been lucky that no one has been hurt.

We know the car park is small, but we also know that all of the pupils in our school need to be safe. We can walk along the footpath to Mr Hewitson, the crossing patroller, to cross the road and meet the cars near Portland Park.

Our school wants you to remember that the drop off zone is only for dropping off, not for sitting with your car running and adding pollution to the air.

We are all amazing and we want to make sure everyone is safe. We don't want anyone to get hurt or to be squashed like a pancake just because someone has made the wrong choice about parking.

Help keep us all safe, follow the rules.

Yours sincerely,

The Pupils in Primary 7S.
