Dear Parent/Carer/ Driver

Could you please stop parking on the zig zags and the roundabout? There are spaces in the car park and if there are no spaces left then you could park on the street and walk. If things don't change, someone will get hurt! We don't want people only to start listening after someone gets hurt. We want you to listen NOW!

We are very sad about the parking situation right now. Please make us happy again by parking safely and sensibly, staying out of the drop off zone, bus bay and away from the roundabout.

Thank you!
