Rights Respecting Schools Group.

November 's UNCRC Article of the month is... Article 29:

Article 29 of the UNCRC says that a child or young person's education should help their mind, body and talents be the best they can. It should also build their respect for other people and the world around them. In particular, they should learn to respect:

- their rights and the rights of others
- their freedoms and the freedoms of others
- their parents
- the identity, language and values of countries—including their own.

Education should prepare children and young people for a responsible life in a free society. It should teach them how to live in an understanding and tolerant way that is non-violent and that respects the environment.

Primary 7 Swimming

Swimming

This term p7 have been going swimming at Loudoun Secondary School. When you first get there the swimming instructors make you swim from one side of the shallow end to the other to test how good of a swimmer you are. If you need more help or if you can't swim, you're in the shallow end. If you are a good swimmer, you're in the sloped end and if you are an amazing swimmer you're in the deep end. After each session we play jump. In jump you need to jump exactly when the swimming instructor tells you to, if you jump before or after he tells you you're out. In conclusion swimming is fun.

Primary 6 Skiing

In term 1 and 2 P6 have been going skiing to Newmilns ski slope. There have been a lot of funny falls like Tia fell and got stuck and couldn't get back up. Katie almost face planted, but she put her hands down just in time.

Tubing is fun as well, because we can go on our belly (my personal fav), you can go normally, you can go in 2s, you can hold each other's legs or you can do a train.

Parent Pay

Please note that we are now a cashless school. All school meals, trips and donations should be paid through the parent pay system. This includes dress down days.

Halloween Disco

On Thursday 24th October we had our Halloween discos.

We did fun dances like the Macarena. There was a calm area with fun games and drawing. There was also a massive conga with Cara at the front.

There was someone who was dressed as a Mr Nobody and Rebecca in P7 was dressed up in exceptionally cool costume. Also there was a big blow up Minon.

The teachers that were there was Miss Craig, Mrs Murphy, Mrs Milne, Miss Kelly and Mrs Willsden.

There were lots of parent helpers.
