## Games Legacy for the Future

Monday kick starts the Commonwealth Games Legacy with Sport your Trainers event – everyone can come to school in their trainers!

We want to raise awareness of Sports Relief for the future and also start the school thinking about House Teams and events for our sporting term coming up.

## Spring Fayre

Can we start by saying a huge thanks to everyone who turned out in their droves to attend and support the school. We appreciate your tolerance and patience when signing children out – safety has to come first.

The Fayre was a huge success and the Parent Council raised funds as well as the school – the school raised over £1,000 and we will be asking the pupils where this money should be spent. The Eco Committee and the teachers already have some suggestions for art materials and plants. We will keep you posted with the final spending!

## Reports

We will continue with the new format of reports issued last year with Curriculum for Excellence levels indicated, detailed comments on progress and next steps identified. The report does contain an overview of the levels across the school stages but feel free to ask the staff about these at Parents Evening.

Parents Afternoon and Evening - 27.03.12
