

At the parent afternoon/evening appointments this week, members of the Parent Council will be present in the school for anyone interested in finding out more about the Parent Council role. We are also hoping you will take this opportunity to give us your feedback on a few changes we are proposing regarding the merger of Parent Council and FOL, the revision of the constitution as well as the creation of a new name for our group.

Rather than have you feel under the spotlight on the night, we would like to give you advanced sight to the type of thing we would love to have you feedback on – we will have comment boards available for you to easily and quickly leave your comment while you are passing either before or after your appointment. All feedback provided on any of the undernoted list would be very grateful appreciated.

- What do you feel the role of the new Parent Council should be?
- What would encourage you to join?
- How would you like the Parent council to communicate with you and you with them?
- What is important for the Parent Council to be involved in?
- Fundraising
- Policy Development
- Authority Wide Initiative
- National Parent Network
- Other

Thank you in advance for taking the time to get involved and help drive this forward.

Minutes from the last Parent Council meeting will be available in school from Tuesday onwards.
