End of races, return to school.	

We would like to take this opportunity to thank you for sharing your child's Sports Day with us. We hope you have enjoyed sharing this experience with us after missing these events for the last few years. Your children and Young People have been preparing and enjoying many health and fitness activities across this wellbeing week.

Thanks also goes to the Primary Seven House Representatives who have been developing their leadership skills as we organised and prepared this event. I do hope you have all had fun.
